To the Grace and Truth Congregation, Gedera, Israël

Dear David,

On behalf of the Board for Israel NRC I want to express our support to you in these times of great troubles and suffering. Please convey this to the congregation.

We are shocked by the horrible and unimaginable atrocities during the unprecedented terrorist attack by Hamas. We pray that the war will not last long and that the goal of eradicating Hamas will soon be achieved. May He guide and protect you all.

We are praying for you and I am sure that on the 160 pulpits of our congregations prayers will be send up for you and for the peace of Jerusalem coming Sunday.

We hope that your comfort will come from the Lord of Abraham, Isaac and Jacob and from his Word. May these circumstances bring the Jewish people on their knees for Him Who has shown His faithfulness with His covenant people times and again. Above all, may the people of Israel come to the knowledge and the faith in the Prince of Peace of Whom Isiah prophesied richly in Isiah 9. Real Shalom is only found in Him.

Yours in Christ,
on behalf of the Board for Israel,
Rev. Arie Schot
Chairman

,

Thank you for your solidarity and in standing with us in this time of need and pain.

It warms our hearts to know that so many of NRC churches are praying and supporting us in this dark time. Indeed, our One and Only comfort is the God of Israel and the Lord Jesus Christ, who came to give us life and that abundantly.

Please convey my personal appreciation to the Ministers in the NRC who are praying for us and standing in solidarity with us.

May we know far better days and see the name of Christ lifted up also in our country.

Pastor of Grace & Truth Congregation
